

The Installation Management Command (IMCOM) Customer Management Services (CMS) is fielding a new constituent survey throughout US Army Pacific to capture specific feedback from various constituent groups: Active Duty, National Guard, Reserves (E1 - E6), Warrant Officers (WO1-CW2) Officers (O1-O3) not serving as company commander, retirees, Veterans, Civilian Employees GS-11 and below, and Family members.

Anyone who lives, works or derives support from Army Installations can make a difference by taking an active role in telling the Fort Richardson and Fort Wainwright Command and Staff how we're doing and whether the survey is adequate to provide feedback. To complete the constituent's survey, log on to

Once you answer the initial questions on the demographics page, you will be taken to the appropriate constituent survey and be presented with a set of questions that are specific to your constituent group.

The survey will be available during the period 1-30 June 2007.

For questions and/or assistance, contact the Customer Management Services Office at 384-3422/3430.

Thank you for completing the survey
